	Question: Use this space to comment on the instructor's use (or non-use) of technology.
	it was useful to have a computer in class so that I could access the notes myself
	Pretty fun class. It was at 8:30 am and was nice and relaxing to start the day. Wasn't too intense. Pretty fun.
	Was very clear on how assignments should be turned in and when.
	He has his own website that is very clear to see what to do for each day.
	always used in class
	Question: Final Comments: use this space to provide any additional comments about the course, the instructor or both. 	class was a little boring at times for me, causing it to be difficult to pay attention at times, but for the most part it was interactive
	Yeah, all around good job.
	very engaging and always helpful
	I really liked how accommodating and understanding he was about assignments and the class itself.
	Question: Use this space to comment on the instructor's teaching methods lecture notes, podcasts, discussion forums, group work, etc..
King	the professor used many different teaching methods like research, group discussions, peer reviews, etc.
King	he would use notes and discussion forums and group work most of the time
King	He always starts class with meditation, which I understand, but to do it every class is a bit much.
King	Lectures and follow long readings with note sheet.
